ARTICLE SIXTEEN

TEMPORARY ASSIGNMENT PAY

Both parties agree that payment under this Article should be made in accordance with the following principles. Both parties agree that employees should receive compensation appropriate for the work actually performed where same is needed to be performed. Both parties further agree that employees should not, without authorization, unilaterally assume the work of higher titles in order to generate higher compensation for themselves. Accordingly, both parties agree that employees shall be compensated when, in accordance with the above principles, they perform work in a title having a higher rate of pay for a period in excess of three (3) consecutive, full days or three (3) full days during any period. In such event, the employee shall be paid for hours involved at the incremental step in the new range equal to his current step in his own range. Such increase shall in no way affect the interval for any increase to which said employee may be entitled as prescribed in the Salary Range Tables.

The temporary assignment pay provided for above shall not apply to the following circumstances:

(a) During periods of emergencies, i.e. matters concerning public safety, major storms and disasters, and natural causes, temporary assignment pay will not apply.

(b) When employees are assigned to jobs having a higher rate of pay for training purposes, temporary assignment pay will not apply.

In determining the validity of requests for temporary assignment pay, the Civil Service Job Description for the higher title will be the basic criteria used.
